Case No. U-20767

At the August 20, 2020 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Daniel C. Scripps, Chair
Hon. Sally A. Talberg, Commissioner
Hon. Tremaine L. Phillips, Commissioner

ORDER

On April 14, 2020, COLI, Inc., d/b/a 186networks (COLI) filed an application, under the Michigan Telecommunications Act (MTA), MCL 484.2101 *et seq.*, for a license to provide basic local exchange service throughout the state of Michigan. On June 3, 2020 COLI filed an amended application. On July 9, 2020, the Commission granted COLI a temporary license.

At an evidentiary hearing held on July 21, 2020, COLI presented the testimony and exhibits of Michael J. Gaylord, its Vice President. At the close of the hearing, the parties (COLI and the Commission Staff) waived compliance with Section 81 of the Michigan Administrative Procedures Act, MCL 24.281.

After a review of the application and testimony, the Commission finds that approval of the application is in the public interest. On numerous occasions, the Commission has found that

competition can be advantageous to the residents of this state. Approval of the request for a license to provide basic local exchange service will expand the opportunities for competition. Accordingly, the application is approved.

The grant of a license is conditioned on full compliance with the provisions of the MTA, as well as the anti-slamming procedures adopted in Case No. U-11900, the access restructuring mechanism contribution methodology adopted in Case No. U-16183, and the number reclamation process adopted in Case No. U-12703. Failure to comply fully may result in revocation of the license and other penalties. The grant of a license is conditioned upon the provision of service to customers within a reasonable time. Failure to do so may result in revocation of the license. Finally, the Commission notes that any numbers obtained by the applicant are a public resource and are not owned by the applicant. If the applicant fails to provide service or goes out of business, any numbers assigned to it are subject to reclamation.

THEREFORE, IT IS ORDERED that:

A. COLI, Inc., d/b/a 186networks, is granted a permanent license to provide basic local exchange service throughout the state of Michigan.

B. COLI, Inc., d/b/a 186networks, shall provide basic local exchange service in accordance with the regulatory requirements specified in the Michigan Telecommunications Act, MCL 484.2101 *et seq.*, including the number portability provisions of MCL 484.2358, the access restructuring mechanism contribution requirements of MCL 484.2310 and Case No. U-16183, the anti-slamming procedures adopted in Case No. U-11900, and the number reclamation process adopted in Case No. U-12703.

C. Before commencing basic local exchange service, COLI, Inc., d/b/a 186networks, shall submit its tariff reflecting the services that it will offer and identifying the exchanges in which it will offer service.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any party desiring to appeal this order must do so by the filing of a claim of appeal in the Michigan Court of Appeals within 30 days of the issuance of this order, under MCL 484.2203(12). To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of the Attorney General - Public Service Division at pungpl@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.
